

Hybrid-III Child Clothing

Publication Date: September 2018

Humanetics is discontinuing the sale of CRABI 12-Month-Old, Hybrid-III 3-Year-Old, and Hybrid-III 6-Year-Old clothing.

Background

Humanetics is a supplier of Anthropomorphic Test Devices (ATDs) and related accessories including clothing for both adult and child dummies.

Clothing Specifications

The shirt and pants for the CRABI 12-Month-Old, Hybrid-III 3-Year-Old, and Hybrid-III 6-Year-Old are specified in NHTSA 49 CFR part 572 and subsequent PADI manuals.

- The clothing recommended for use with the CRABI-12MO consists of a sweatshirt, size twelve (12) months, and sweatpants, size twelve (12) months. The material is 50% cotton and 50% polyester. Shoes are not required. Clothing mass should not exceed 0.25 kg (.55 lb.).
- The clothing recommended for use with the Hybrid-III 3-Year-Old consists of a lightweight long-sleeve shirt and ankle length pants children's XS, size 4-5 thermal knit, waffle weave, 50% cotton, 50% polyester and cotton underwear or equivalent whose combined weight is not more than 0.25 kg (.55 lbs.)
- The clothing recommended for use with the Hybrid-III 6-Year-Old consists of a lightweight short sleeve shirt and above the knee pants children's XS (size 4-5) 50% cotton, 50% polyester and cotton underwear equivalent whose weight is no more than .09 kg (.4 lb.) each.

Discontinued Clothing

Because of consistency problems in the supply of the small Hybrid-III children's clothing, Humanetics will halt the sale of these items.

! Humanetics is immediately discontinuing the sale of all brands of Hybrid-III CRABI, 3-Year-Old, and 6-Year-Old children's shirts and pants.
